115(2) Inspection of the Head Office
H.O. Settlement Party Amendment Orders

COPY OF REFERENCE FROM REVENUE DEPARTMENT, BOARD OF REVENUE, MADRAS
No.W.6016/51-1, DATED 30--7--51.

SUB: OFFICE PROCEDURE - Inspection of Offices of the Assistant Settlement Officer and Settlement Officer - Amendment to Board Standing Order 115 - Issue of - Requested.

READ: From the Director of Settlements, Board of Revenue
Ref.B2.14443/50 dated 22-6-51

Read the following:-

According to Board's Standing Order 115 para 2 as amended by C.S.41, the Collectors of districts are required to inspect annually the head office of the Settlement Party, if any, working in their districts to see that the provisions of the District Office Manual are properly and correctly applied, and submit copies of their inspection notes to the Board of Revenue. The Special Settlement Officers of the Old Settlement Parties, who were regarded as special Assistants to the Collectors, had to send their scheme reports etc., through the Collectors of the concerned district. The present ryotwari settlement of Estate being an original settlement on a large scale, is a much more responsible and arduous task than the resettlement of ryotwari areas, and the Settlement Officers appointed under the Abolition Act are of the Collector's grade and they are not subordinate to the District Collector. Under Section 5(2) of the Abolition Act they are directly subordinate to the Director of Settlements. In their Orders No.1471, Revenue dated 24-2-51 as modified by their memo No.28469/R/51-1 dated 9-5-51 (copies ~~three~~ enclosed) the Government have directed that the inspection of the Settlement Party Head Offices should be done annually by the Director of Settlements. In view of the orders, the provision in the Board's Standing Order 115(2) relating to the inspection of Settlement Officer's Offices, by the district Collectors needs deletion. I request that the Board (L.R.) may be pleased to take necessary action in the matter.

Submitted to the Government.

2. The Settlement is likely to spread over many years. In view of the orders of the Government directing that the inspection of the Settlement Party Head Offices should be done annually by the Director of Settlements, the Board sees no objection to accept the proposal of the Director of Settlements to delete the provision in B.S.O.115(2) relating to the inspection of the offices of the Settlement officers by the District Collectors. The Board solicits the orders of the Government in the matter.
